NEWS RELEASE

BENCHMARK ANNOUNCES PRIVATE PLACEMENT FINANCING MOVEMENT OF HEAD OFFICE TO CALGARY, ALBERTA

Calgary, Alberta, Canada, February 7th, 2006 - BENCHMARK ENERGY CORP. ("Benchmark" or the "Company" - TSX Venture: BEE) is pleased to announce that it has arranged on a non-brokered basis, to issue up to 4,000,000 units ("Units") of the Company at a price of \$0.50 per Unit for gross proceeds of approximately \$2,000,000 (the Offering")

Each Unit consists of one common share of ("Common Share") and one half of one common share purchase warrant (a "Warrant"). Each whole Warrant entitles the holder thereof to acquire one Common Share at an exercise price of \$0.75 per Common Share at any time on or before the 12 month anniversary of the closing of the Offering. The Common Shares and Warrants issued pursuant to the Offering will be subject to a four-month hold period.

A commission of 7%, payable in cash, will be paid to selling agents in conjunction with the Offering. This Offering is subject to normal regulatory approvals. This Offering will be sold on a private placement basis to certain investors in Europe, Alberta and British Columbia.

Proceeds from this Offering will be used by the Company to commit to the further development of its interest in the Cosmos Concession in offshore Tunisia and to prepare feasibility studies with possible new ventures in surrounding offshore and onshore prospects in Tunisia and West Africa. Proceeds will also be used for general working capital purposes.

Benchmark would also like to announce that its corporate head office has moved to Calgary, Alberta effective February 1st, 2006. This move more closely reflects the business of the Company and its ties to the Energy sector which in Canada is largely headquartered in Calgary.

Benchmark Energy is a junior Canadian oil and gas exploration Company, focused internationally on North and West Africa. The Company currently has a 33.33% working interest in the Cosmos Concession in offshore Tunisia. The Company intends to further its working interests in Tunisia as well as to develop projects in Marginal oil and gas fields in North and West Africa.
